Our Mission

- To provide a caring and supportive environment that reflects individual and cultural diversity.
- To foster curiosity and a love of learning.
- To help children develop a firm foundation that will serve them well in the future.
- Positive reinforcement and encouragement in all your child does or attempts to do
- Developmentally appropriate and stimulating activities
- Special care and respect for your child
- Nutritionally balanced meal and snacks
- Notes about your child and newsletters
- Open and honest communication, if anything is going on that affects your child
- Peace of mind

Our Background

Established in 2008, we have been meeting the early educational needs of children in a multicultural diversity in all areas of Gauteng.

Our location and facilities are geared to support young learners. We have fun and colourful classrooms to stimulate innate learning abilities.

Our Curriculum

Classrooms are organized and different themes are focused on which the children move throughout school. We have many interesting play materials to develop their interest while building up their physical, social and cognitive skill. Our teachers use the phonics programme to enhance students' literacy development.

A variety of extra-murals are available at the school.

Our Employees

Our qualified multicultural teaching staff is dedicated to provide the best possible learning environment for our students. We have friendly supportive staff members who are around to help within the school.

Our Teaching Medium

English

Our School

+/- 2000m squared with natural and healthy surroundings, with heaters during winter and fans during summer.

A variety of small animals for children to enjoy.

The playground is spacious and geared to focus on gross motor skills of the children.

What we expect from you

- Bring your child rested and ready for a day of activities and play. A well rested child is easier going, less frustrated, happier and more predictable.
- Prompt payment of school fees
- Prompt pickup of your child/ren, so that our families needs and personal commitments are also met
- Notification if your child is going to be absent or late
- Take an interest in your child's day - talk to them about the day's activities
- Open and honest communication - if there is a problem (however big or small) we need to talk about it to prevent hard feelings or misunderstandings.
